

BEST BOOK DESIGN
FROM ALL OVER THE WORLD 2025

Unique of its kind the competition *Best Book Design from all over the World / Schönste Bücher aus aller Welt* has been held annually in Leipzig since 1963. Since 1991 Stiftung Buchkunst (German Foundation for Book Design) has been responsible for overseeing it.

Within this competition, the technical and aesthetic level as well as the appropriate and artistic design of the books are compared beyond national borders. These days publications from more than 30 countries take part in the competition of the book design network. The focus is on international exchange and mutual inspiration.

As the highest mention, the jury awards the Goldene Letter (Golden Type); in addition, one Gold Medal, two Silver Medals, five Bronze Medals and five Honorary Appreciations.
